## Who Are We...

Remedial Health Care Services is an agency that was created to provide top quality care and services for clients needing home health services within the comfort of their own home. Our focus is on support to help manage daily consumer needs. We are an organization consisting of dedicated and caring employees that form a company with a unique and special mission to ensure that all human beings have the chance to realize their fullest potential.

## Our Purpose...

Is to provide a path to client well-being. Our passion and commitment is evidenced by an environment of integrity, dedication, and teamwork. We strive to rise and promote individuality for all clients. It is very important for us to develop an approach that will assist in offering a course of action for complete understanding of client needs.

## Our Mission...

Is to work in a collaborative effort with Family and the Medical Community to provide the best individualized care possible for each client. It is our company's belief that all individuals have the potential and capacity for involvement in the experience and decisions that affect their lives.

## Dedicated

As a company we are caring, reliable and *dedicated* to a high standard to ensure ultimate comfort to our consumers. We acknowledge that this is not just a service we provide but a true glimpse into the hearts of our clients.

## Certified Staff

Our commitment is to assist with a qualified staff of caring hands and hearts that offer respect to the needs of our clients. Remedial Health Care Services requires that all individuals pass the BCI and FBI background check. All staff are bonded and insured through (RHCS.) We are open to all suggestions that would better improve the quality of life for the clients we serve.
